Re: Mercedes-Benz Model 300TD
Serial No. 124193 1F 047591

Dear Mercedes-Benz Owner,

Our records indicate that you are the owner of a Mercedes-Benz diesel passenger car equipped with an emission control device called a trap oxidizer. We would like to inform you about some features of the trap oxidizer and our experience with this emission control technology.

While the diesel engine is known for its economy and durability, one inherent characteristic is the emission of combustion-related particulates known as soot. Mercedes-Benz has systematically lowered these emissions by refining its engines and emission control systems. Beginning with model year 1987, Mercedes-Benz introduced the trap oxidizer in 300-series turbodiesels to reduce these emissions even more. This device, which is attached to the engine exhaust manifold, continuously filters the exhaust gas by trapping and burning combustion-related particulate matter within its ceramic core, thus reducing smoke and odor.

In model year 1987, we introduced a new six-cylinder turbodiesel engine with a second-generation trap oxidizer. It was installed in the model 300SEL, and the new 300 class diesels - models 300D and 300TD. The six-cylinder turbodiesel engine, with the new type trap oxidizer, has demonstrated excellent performance, dependability and durability.

As confirmation of our belief in the durability of the trap oxidizer in these vehicles, and because of our commitment to the owners of our products, Mercedes-Benz is implementing an extended warranty policy on the trap oxidizer for these models.

. . . 2

April 1989

Should you experience any problem with your car's trap oxidizer, we will repair it free of charge at any authorized Mercedes-Benz Dealer even if the car is beyond the warranty period. The exceptions to this policy, such as damage due to the use of non-approved additives, are outlined in the Owner's Service and Warranty Policy Manual.

If you have any questions about our policy, or have a question as to the model year of your vehicle, please do not hesitate to contact your authorized Mercedes-Benz dealer or write to

Mercedes-Benz Canada Inc.
Service Department
849 Eglinton Ave., East
Toronto, Ontario, M9G 2L5.

Please provide us with your car's Vehicle Identification Number along with your questions.

We look forward to many more years of assisting you in maintaining your Mercedes-Benz vehicle.

Very truly yours,

E. F. Hajara

RE: 1987 ACURA LEGEND

Would you please provide to the writer at your earliest convenience and amended policy reflecting that Hillfield Homes Inc. is the registered owners of the 1983 Mercedes station wagon and 1987 Chrysler LeBaron 2 door convertible and the 1987 Acura Legend and that all three cars should appear on the same policy. Please also note that with regard to the Chrysler LeBaron that by mistake you referred to it as a four door sedan where as in fact it is a two door convertible. Would you please amend the policy and provide to me at your earliest convenience the corrected policy reflecting Hillfield Homes Inc. as the insured and the three cars covered under the policy as follows:

1983 Mercedes, 4 door station wagon
1987 Chrysler LeBaron 2 door convertible
1987 Acura Legend 4 door sedan

Your early attention would be greatly appreciated.

RE: 1983 Mercedes Station Wagon
1973 Oldsmobile Convertible

Dear Sirs:

Further to the repairs that you carried out on the above vehicles, under Invoice #0081124, I am herewith enclosing a cheque to you for \$300.00, to cover the cost of the repairs for the both vehicles.

I would confirm that the cost for the Mercedes Wagon was \$150.00 and the cost for the 1973 Oldsmobile Convertible was \$150.00.

I would also be much obliged if you would acknowledge receipt of this letter and please confirm that after you have repaired the power roof motor for the 1973 Oldsmobile, you found that although the motor was working fine and the relays were working fine, and the power top switch was working fine, that the roof mechanism for the convertible was in very poor repair and that was what was causing the problem to burn out the motor which you had overhauled.

I would be much obliged if you could acknowledge receipt of this letter and confirm the contents as I will be going after the vendor of this particular vehicle for misrepresentation.

Your early attention would be greatly appreciated.

Yours very truly,

Milton H. Rusonik

EXCLUSIVE FORMULATION USED BY AIRLINES—NOW AVAILABLE TO CAR OWNERS

Glass Shield™ KEEPS ALL CAR WINDOWS PERFECTLY CLEAR AT ALL TIMES... ABSOLUTELY NOTHING CAN STICK TO THEM...

- NOT SNOW • NOT SLEET
- NOT ICE • NOT GRIME
- NOT DIRT • NOT RAIN
- NOT BUGS • NOT TAR
- NOT SALT SPRAY

AS SEEN ON NBC-TV

DAVID HOROWITZ—CONSUMER SHOW
"FIGHT BACK"—CHALLENGED
AND PROVEN—IT REALLY WORKS!

GLASS SHIELD utilizes the formulation now used by most commercial and private planes to insure a perfectly clear windshield regardless of how foul the weather.

WORKS LIKE MAGIC

You'll be amazed as you watch the elements hit your windshield and actually roll and bounce off every area of glass. It's not magic...it's GLASS SHIELD!

IMPROVED FOR CAR & BOAT OWNERS

The plane formulation was enhanced by adding ingredients that not only prevent snow, sleet and ice formation on cars, but also grime, dirt, bugs, tars and salt spray from adhering to your windshield and all glass areas, including side mirrors. You can now drive in the worst of weathers with the assurance that you'll enjoy even clearer visibility at all times without even using your wipers. AND, because GLASS SHIELD protects the entire glass area of your car, you enjoy far greater visibility than merely depending on your windshield wipers. Clearer and wider visibility insures elimination of "blind spots" and provides greater protection against road accidents for you and your family.

GLASS SHIELD is made by the manufacturers of famous GLO-SHIELD, America's finest car finish. We guarantee that GLASS SHIELD will do everything we claim for it, or money-back on full purchase price, less postage and handling. All orders processed promptly. Delays notified promptly. Shipment guaranteed within 60 days.
