# Damage

**WE DID NOT DETECT SIGNIFICANT ACCIDENTS WHILE ANALYZING **WDB1240361C180316** HISTORY**

However, occasional inaccuracies can occur, especially when checking older vehicles. Underground garage mechanics often illegally disguise vehicle defects or damage not recording them anywhere. Sometimes they even replace vehicle VIN plates or perform other illegal acts. We have a variety of methods to detect even such crimes, but it's impossible to guarantee 100%.

### **Advice**

Making a prepurchase inspection is always a good idea. If no technicians are available, try making it on your own – the checklist is available at the end of this report.

### **Note**

Some accidents, due to their nature, may be not known to “carVertical” at the time when the check was performed.
