Description: DaimlerChrysler AG (DCAG), the manufacturer of Mercedes-Benz vehicles determined that due to heat generated by the brake lamps, the base of the lamp sockets can be subject to thermal deformation over time in certain Model Year 1998 - 2004 SLK-Class vehicles . This deformation can cause movement in the socket-to-bulb connection, which may lead to a loosening of the electrical contacts in the sockets, and a failure of the bulb to illuminate. This condition can cause a failure of either side brake lamp bulbs to illuminate. The center brake lamp is not affected. A failure of the brake lamp bulbs to illuminate may lead to a rear end vehicle crash. An authorized Mercedes-Benz dealer will install tail lamp assemblies using more heat resistant material and enhanced lamp holder

Glossary

First Owner

When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

Manufacturer Recall

Automobile manufacturers issue recall notices to inform vehicle owners of a safety defect or failure to meet minimum federal safety or emissions standards. Manufacturer recalls are repaired at no cost to the customer.

New Owner Reported

When a vehicle is sold to a new owner, the Title must be transferred to the new owner(s) at a Department of Motor Vehicles.

Ownership History

CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

Title Issued

A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.
