12/05/2019

Mercedes-Benz USA LLC

Manufacturer Safety recall issued

- NHTSA #17V017
- Recall #2019110016 Takata Front Passenger Side
- Airbags MY 2012 C-Class (204) Campaign Launch
- Date: Dec 6, 2019
- Status: Remedy Available

[Click here](#) or call 1-800-367-6372 to locate an authorized Mercedes-Benz dealer near you to obtain more information about this recall

- [Learn more about this recall](#)

Description: Mercedes-Benz USA is recalling certain Model Year (MY) 2010-2011 C-Class (204), 2010-2012 GLK-Class (X204), 2010-2011 E-Class Coupes and Cabriolet (207), and 2011-2015 SLS-Class (197) Mercedes-Benz vehicles equipped with front passenger-side airbags affected by the defect decision of TK Holdings, Inc. (Takata). Under certain circumstances during a crash that necessitates passenger-side airbag deployment, the defect in your front passenger-side airbag inflator may cause the inflator housing to explode. A front passenger-side airbag inflator explosion during deployment could result in metal fragments striking the passenger or other occupants, possibly causing serious injury or death. Replacement parts are available now! Please use below dealer locator to contact your closest authorized dealer immediately.

According to Takata, in the event of an inflator explosion, metal fragments could pass through the air bag cushion material, which may result in injury or death to vehicle occupants.

Remedy: An authorized Mercedes-Benz dealer will replace the front passenger-side airbag. Replacement parts are available now! Please use MBUSAs dealer locator to contact your closest authorized dealer immediately.

Glossary

Damage Indicator

Damage can be a result of many different types of events. Examples include contact with objects (other cars, trees, traffic signs, road debris, etc), vandalism, or weather-related events. Not every damage event is reported to CARFAX. As details about the damage event become available, those additional details are added to the CARFAX Vehicle History Report. CARFAX recommends that you have this vehicle inspected by a qualified mechanic.

- This CARFAX Vehicle History Report is based only on information supplied to CARFAX and available as of 3/7/21 at 8:22:48 PM (CST). Other information about this vehicle, including problems, may not have been reported to CARFAX. Use this report as one important tool, along with a vehicle inspection and test drive, to make a better decision about your next used car.

First Owner

When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

Manufacturer Recall

Automobile manufacturers issue recall notices to inform owners of car defects that have come to the manufacturer's attention. Recalls also suggest improvements that can be made to improve the safety of a particular vehicle. Most manufacturer recalls can be repaired at no cost to you.

New Owner Reported

When a vehicle is sold to a new owner, the Title must be transferred to the new owner(s) at a Department of Motor Vehicles.

Ownership History

CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

Title Issued

A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.
