**Description:** Mercedes-Benz USA is recalling certain Model Year("MY") 2011 C-Class (204), MY12 GLK (X204), and MY11-15 SLS Coupes and Roadster vehicles equipped with passenger-side frontal airbags affected by the defect decision of TK Holdings, Inc. ("Takata"). Under certain circumstances during a crash that necessitates frontal airbag deployment, the defect in your passenger-side frontal airbag inflator may cause the inflator housing to rupture. A frontal passenger-side inflator explosion during deployment could result in metal fragments striking the front passenger or other occupants, possibly causing serious injury or death. According to Takata, in the event of an inflator rupture, metal fragments could pass through the air bag cushion material, which may result in injury or death to vehicle occupants. An authorized Mercedes-Benz dealer will replace the front passenger-side front airbag.

## Glossary

### First Owner

When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

### Manufacturer Recall

Automobile manufacturers issue recall notices to inform vehicle owners of a safety defect or failure to meet minimum federal safety or emissions standards. Manufacturer recalls are repaired at no cost to the customer.

### Ownership History

CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

### Title Issued

A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.
